You make it tough to outright dislike you. you know.
Hmmmm?
Just when I think I've made up my mind about you, you help me out with Timmy and Tabitha, and generally be kind and helpful.
You risk having me change my opinions of you.
Why Sabrina, that's so sweet of you to say!
SMOOCH!
And then it changes right back.
Then my work here is done.

No more, minion. No longer will we live under the oppressive heel of the mammals.

EXCUSE ME, MISS ZIG ZAG.
How can I help you - Whirl, is it?
GWAH! ARE HER!
THIS WEEK, I WAS CURIOUS ABOUT THIS 'SEX' THING YOU SEEM TO BASE THIS BUSINESS UPON.
Really? Well, what would you like to know?
I JUST WANT TO UNDERSTAND IT.
Hmmm... Well, for us, it's something we do for procreation - and recreation
For sex, two people bring their bodies together so they-

Sabrina? I need to talk to you about Tabitha.
Ever since she was at your home, she's been dressing up like a tiny street walker!
Do tell.
She prances around the house, calling herself a movie star. Can you explain what's gotten into her?
Well - um - uhh..
BEEP!
OH GEE! THAT'S MY CALL WAITING! GOTTA GO!
CLICK!
Seems like a good time for a vacation!
RING!

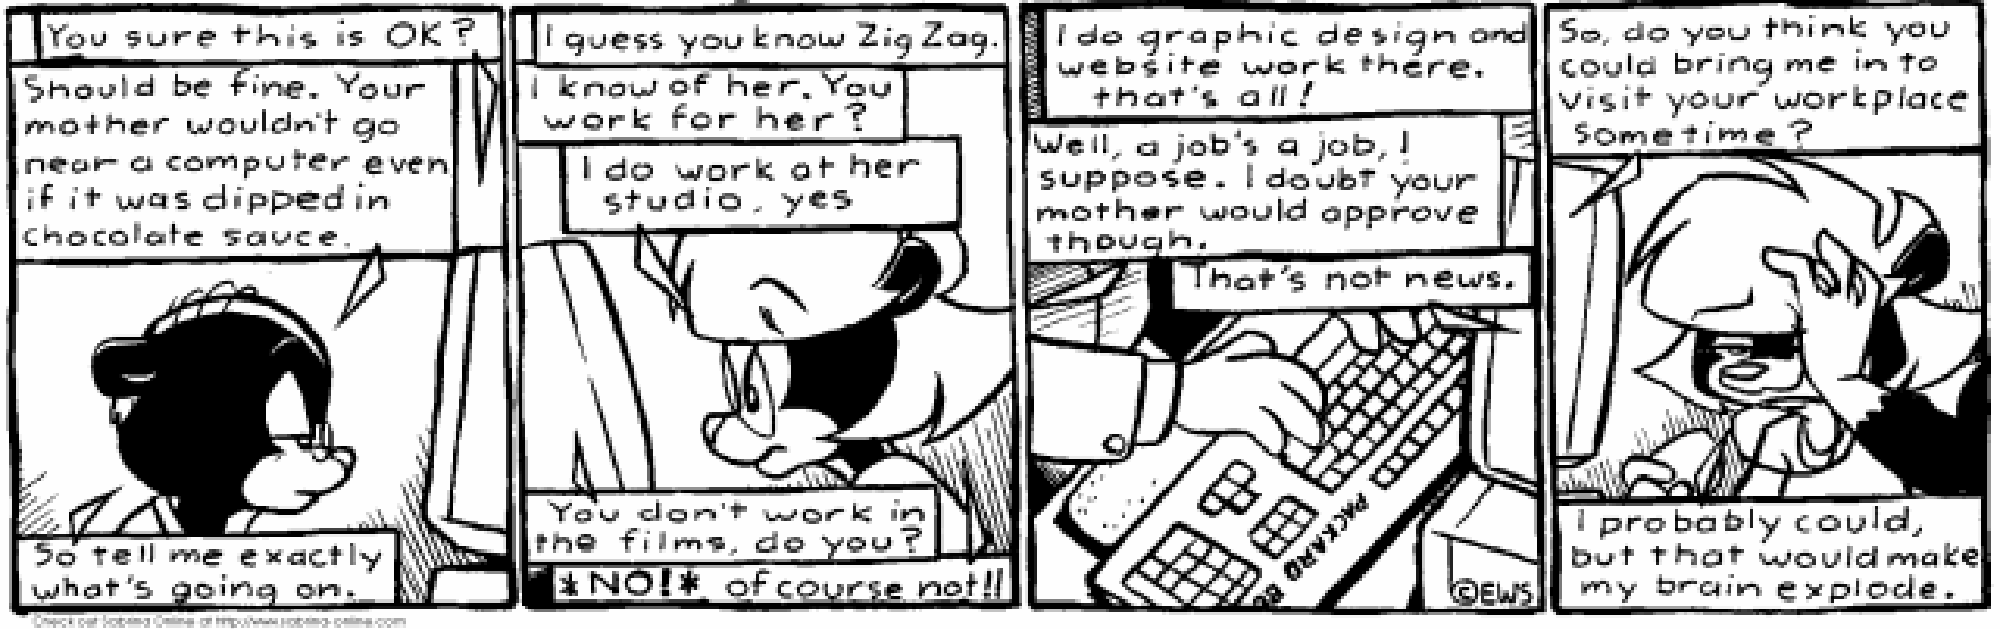
We'd just like you to shed some light on the way Tabitha's been acting.
©EWS
Well— I took her to work with me briefly. There's a woman named Zig Zag there who's kind of wild. Tabitha might have picked up a few things from her.
She's Cool!
I like her!
Hmm. Maybe I should talk to-
I wouldn't worry about it honey. Tabitha will get tired of all this soon enough.
I suppose you're right.
Dad?
We are going to have a long talk about this young lady.
... later.



You sure this is OK?
Should be fine. Your mother wouldn't go near a computer even if it was dipped in chocolate sauce.
So tell me exactly what's going on.
I guess you know Zig Zag.
I know of her. You work for her?
I do work at her studio, yes
You don't work in the films, do you?
NO! of course not!!
I do graphic design and website work there, that's all!
Well, a job's a job, I suppose. I doubt your mother would approve though.
That's not news.
©EWS
So, do you think you could bring me in to visit your workplace sometime?
I probably could, but that would make my brain explode.

You're not going to believe this.
Hmm?
My father would like to meet you.
I can believe that.
Seems everyone wants to see this place, and you.
My dad, my boyfriend,
It's annoying.
It's just the celebrity thing. They'd do the same if you worked with the local news anchor. Don't let it get under your skin.
I'm not. really.
Hmm, maybe I should start selling tours of this dump! Twenty bucks and proof of age!

"Just a few words too many"

Well ?
No need to worry Endora. I had a talk with her.
She'll speak with that co-worker of hers.
Well, good.
I swear, that girl never tells me anything!
That's 'cause she knows you'll make a big fuss over it. That's why she doesn't talk about that raccoon she's dating.
RACCOON!?
d'oh.

You do your own taxes?
Sort of.
It's just a little challenge to myself. I want to see how well I can do before I hand it over to the accountant.

I'd imagine this studio has some odd business expenses.
There's no need to imagine.
Ewww — "personal lubricant".
HOW MUCH!?
Well, I do save money by buying in bulk.

RING!
Double Z studios, this is Sabrina.
Dad!? How did you get this number?
It IS in the phone book, kid.
I'm calling to warn you that your mother found out about your boyfriend.
WHAT?
I'm guessing she probably won't rest until she meets him.
Aaand... this is your fault, isn't it?
Girls who work at adult studios shouldn't point fingers.

Honey, I'm home
Hello Sabrina
BINA!
Your mother called.
I expected that.
I told her you were at work.
You didn't say where I work, did you?
You know me better than that.
Good, that's one crisis averted.
I didn't tell her anything... each of the five times she called.
RING!

Hello Mom.
Hello dear. I'd like to invite you to dinner tomorrow.
You can bring a guest if you like.
That's pretty transparent Mom. I know you only want a chance to scope out my boyfriend.
Dont be silly Sabrina! -But since you mention it, he's welcome to drop by.
Look, I won't promise anything, but I'll see what I can do.
That's all I ask dear. Good-bye.

She'd better.
Well, I suppose all relationships are severely tested sooner or later.

What's that?
It's time you got to meet my family.
Well! This is all so sudden!
Please, don't make a big deal out of this.
It's still a bit of a surprise, one of those relationship milestones you hear about.
Don't flatter yourself too much.
If it was up to me, you'd probably never meet my parents ever.
Ah, gotcha.

As I'll ever be.
Now I want you to make a good impression, so be careful what you say or do.
Right.
And be sure to be nice to my parents.
Uh-huh.
-and you shouldn't try fooling around with me in front of them.
You do know who you're talking to, right?
No wisecracks either!

Hi, we're here!
Hello dear.
HI RACCOON GUY!

You know him?
Yeah, he's Sabeena's boy-fend!
Why haven't I heard about this before now?
Because she knows how to keep a secret for a dollar.

I'm sorry, this must be awkward for you.
It's no problem.
So tell me, what exactly do you do for a living?
I answer phone calls from people who need help with their computers.
Paid well?
Not bad.
Well enough to take care of my daughter if need be?
Probably.
Reliably?
I'd like to think so.
And what about children?
What - about them?
How do you expect to support a family?
MOM!
©EWS

Check out Sabrina Online at http://www.sabrina-online.com

Please Sabrina, I'm only making conversation.
Stop grilling R.C! No one needs to know whether or not he can support children I don't have!
Dear, you have to consider things like this before you might do something foolish, like going to bed together.
WHAT MAKES YOU THINK WE HAVEN'T!?!
How... about I go to the kitchen and find something sharp to impale myself on.
Sorry.
@EWS

Come with me, my boy. I think Sabrina and her mother need to be alone for a bit.
I'm really sorry about this. Are you angry?
I'm certainly not HAPPY about it, but I can't say I'm surprised. You're both adults, after all.
Well, it's not like we really planned anything. We didn't intend to bother you two with it, that's for sure.
I know. Endora's just very traditional, and very protective of her family, much like her own mother.
Oh?
Yes, Her mother absolutely hated me, but Endora defied her, so I can relate to this somewhat.
By the way, you DON'T mention this to either of them in there.
Yessir.

I swear Mom! You're trying to ruin my life!
I'm only trying to protect you and keep you from making a big mistake.
I'm a grown woman now! It's none of your business what mistakes I make!
Really!? You wear revealing clothes, you live with a couple that had a child out of wedlock!
I think you could use a little guidance, young lady.
Oh yeah?
Is this the same kind of guidance that gave me a sister twenty years younger than me?
This isn't about me!

So, how did you and Sabrina meet up?
Well, we started out talking on the internet.
A friend of hers organized a meeting between us, and we found out we lived within driving distance.
You really care for my daughter, don't you?
I do - very much so.
Well, I do too, of course. She's my little girl.
©EWS
So if you should do anything to hurt her, I'll come down on you like a ton of bricks.
Got it. I've been hearing that alot, actually.

I don' think my mommy likes you.
I noticed.
I think yer nice.
Thanks. You're not so bad yourself.
You think your mother will ever accept me?
I dunno.
I hope it won't bother you too much if she doesn't.
Nah, that's cool. She's always mad about sum thin'.
Good to know some-one's on my side.

Mom, you can't just tell me what to do anymore. You have to let me live my own life.
I do what I do because I care about you, and I only want what's best for you.
Did you ever stop to think why I didn't tell you about R.C. before now?
-why I went away from home for college?
-why I STAYED away?
-why I took the opportunity to live my own life?
All to spite me, I'm sure.
Ok, two reasons.
©EWS

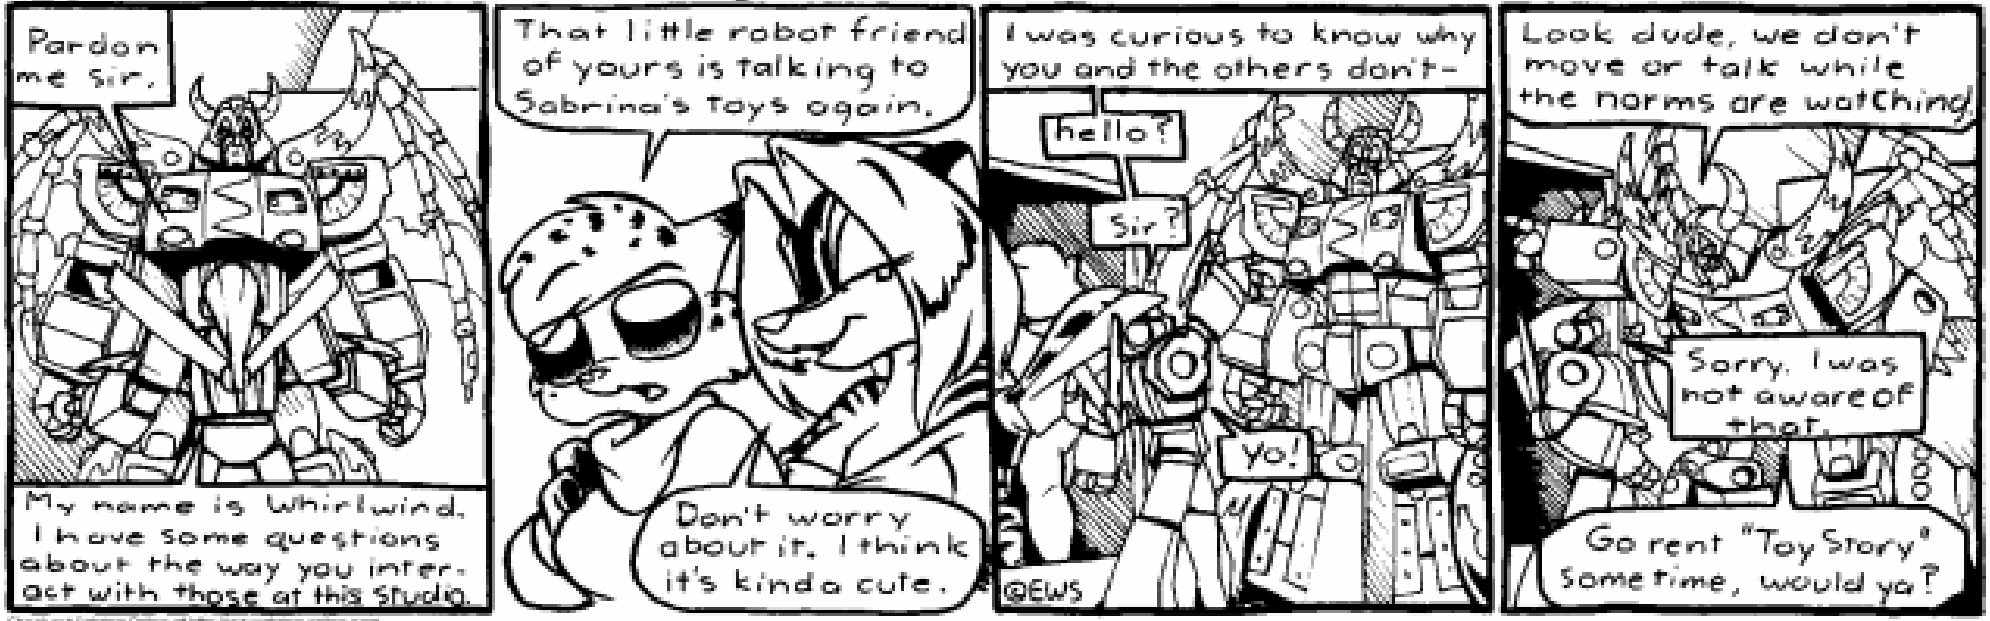
Tabitha is Sabrina's sister, right?
That's correct.
I can't help but notice that she's...
- Much younger than Sabrina, enough to make you wonder.
I didn't want to say.
Well, can't plan for everything.
I hope you and Sabrina are a bit more careful and avoid any un-expected surprises.
Don't worry, we're very careful.
- And what's that mean?
Never mind.
©EWS



Pardon me Sir.
My name is Whirlwind. I have some questions about the way you interact with those at this studio.
That little robot friend of yours is talking to Sabrina's toys again.
Don't worry about it. I think it's kinda cute.
I was curious to know why you and the others don't-
hello?
Sir?
Yo!
©EWS
Look dude, we don't move or talk while the norms are watching!
Sorry. I was not aware of that.
Go rent "Toy Story" some time, would ya?

Sabrina, I won't allow you to risk ruining your life like -
Mom, be quiet for a minute and listen while I spin you a little scenario.
The more you try to run my life, the more you'll have the opposite effect.
-The more you'll drive me away, and I'll avoid you more than I already do.
-The more I won't want you around for the big moments of my life, bad or good.
-The more you alienate your daughters, the more you risk winding up alone.
Understood.
Love you Mom.
©EWS

Well, I guess we ought to be going.
Good speaking with you sir.
Likewise
R.C., I should apologize for the way I behaved tonight.
It's no problem. I know you're only looking out for Sabrina.
Please - take good care of her.
Uhh.. I'll do my best.
©EWS
What did you DO to her?
I implied she might die alone
Ohhh...
Good work! - I guess.

I'm sorry RC., I didn't mean for them to be so rough on you.
Don't give it a second thought.
I'm an unknown to them, and they're just looking out for you,
You're a precious treasure everyone wants to protect.
I already like you, so shut up.
So, shall we trot out and grab a bite to eat?
Didn't we just come from dinner?
©EWS
Yeah, but how much did you actually get to eat?
Good point.

This is a bit better.
Nice to have a dinner WITH food anyway.
Good night honey.
